Report an Accessibility Barrier or Support for Veritas School

At Veritas School, we want to learn about specific barriers or helpful supports that people encounter when they are trying to:

- Access a school program, building, or school information
- Receive a service or support

The Veritas School Accessibility Committee will review your feedback during quarterly meetings and will use all feedback for the revision of future accessibility planning. If you need an accommodation for your child or if this is an urgent matter, please contact the school directly.

1. Please provide the date the barrier or support was experienced.

2. Please provide the specific location the barrier or support was experienced.

3. What were you or someone you know trying to access?

4. Please provide accessibility barrier or support details (be as specific as possible).

5. Do you have any recommendations for what would make it better?

6. Attach files if you wish to provide additional information (e.g., video, voice recording, photos) and list attachments.

7. Do you wish to be contacted about your responses? Please circle your response: Yes No

If yes, please provide your name and email or phone number. Responses will be checked at quarterly meetings.

Thank you for providing your valuable input!
