

Veritas Parents Support Group
September 19, 2022

Attendees: Silvia, Tamara, Birke, Sabrina, Gillian

1. Positions to fill

October meeting will need to vote in the following positions: Chair, Vice-Chair and Treasurer. All interested parents welcome.

2. Fundraisers: October-January

- a. **Apples** - Apple order form go out this week, due back October 13. Honeycrisp not available. Only three types available. Christian centennial will do it with us again this year. Prices haven't gone up this year
- b. **Mum's Pantry** - end of October and get delivery by December 5.
- c. **Purdy's** - goes out in early November and arrive first week December
- d. **Art Cards by Kids** – whole school can participate – will go to teachers in October before Halloween
- e. **West Coast Seeds** – fundraising opens September 30. Could go out in January for delivery in February
- f. **Growing Smiles** – between February and May – would prefer late May. A little later is better so they are bigger.
- g. **Treat Thursdays** – September 29 starting. Volunteers already signed up. Need to decide day/time if it is ok to coincide with praise club. Have already bought lollipops, will do cookies and hot chocolate day too
- h. **Hot lunch** – have a few vendors ready to go – McDonalds, Pita Pit, Pizza Hut, Donna's Kitchen, Lola's Kitchen, Boston Pizza. Maybe Safeway, but options so far are expensive. Will do hot dogs probably once a month.

Classes need to find volunteers for the month they are responsible for – this is the only way hot lunch will work this year. Parent Reps need to support their class for volunteering. There will be pizza hot lunch on Mondays (October to December), then may change the order in January as well as ordered lunch on Wednesdays. Online link for munch-a-lunch coming next week. Parent reps haven't been identified by each teacher yet

Would be good to find out from teachers as soon as possible what their fundraising ideas are for each class so that we aren't duplicating efforts. Typically, upper grades will host a movie night and bottle drive each.

Need to decide if we are doing the Glow Run for 2022/23?

Fundraising goal last year was \$30,000, managed to raise \$51,000!!
This year's goal will be **\$30,000**.

Next Meeting: Monday, October 17 @ 7pm
